

Reuters News

Get fresh perspectives on the markets and generate unique investment ideas that benefit you and your clients

In 2007 Reuters produced:

- 2.49 million headlines
- News in 19 languages
- 3 million news messages
- 730,000 alerts
- 515,000 picture images
- 54,000 video stories

Reuters is the largest international news agency providing professionals around the world with stories that move the markets. In 2007, Reuters filed over three million news items from 197 bureaux in 132 countries. As a leader in breaking news, Reuters gives clients a market advantage. Reuters News is seen on over 400,000 screens around the world and viewed by over 1 billion people every day.

The screenshot shows the Thomson Reuters website interface. At the top, it says 'REUTERS NEWS NOW AVAILABLE ON THOMSON ONE'. Below this, there's a market data section for 'DJA-OI' with a line chart and a table of values. The main news section features a headline: 'Wis. Dems unveil economic plans if regain Assembly'. To the right, there's a 'News Highlights' section with several short news items. The bottom of the page shows a navigation menu with links like 'HOME', 'MARKET NEWS', 'ANALYST RECOMMENDATIONS', etc.

Coverage

Get the comprehensive news coverage you need. Reuters reports on more sectors, geographies and markets than any other news organization. With 2,400 journalists worldwide, in even the most remote places, we get the complete international story.

Expertise

Reuters has a diverse and unique network of specialists and can provide market moving news and expertise to drive customer's decision making. Journalists are trained to inform a demanding clientele of finance professionals; they adhere to high standards of sourcing and fact-checking and always make sure to separate facts from rumors.

Unbiased

Our journalists gather the facts without burying what's important with opinion and judgment. View unbiased news and make decisions that are right for your business.

Speed

Reuters strives to give clients a competitive advantage by delivering accurate breaking news first.

Reuters Markets News

Reuters English-language news, exceeding over 2 million news items a year with in-depth and specialized coverage of company news, FX markets, debt markets, commodities and energy, politics and sports.

- Influential interviews, often exclusive, with:
 - o Over 12,500 top decision makers in business, economics, markets and politics
 - o Finance officials, finance ministers and central bank governors
 - o Heads of state and government, cabinet ministers and opposition leaders
- Scoops: Almost 10,000 beats and exclusives a year – where Reuters was ahead in publishing market-moving news stories or published the story exclusively
- Market sentiment:
 - o 5,000 published polls a year on economic indicators, interest rate moves, and currency, stock, bond and commodities markets
 - o Thousands of polls taken by influential market participants to forecast economic data, interest rates, FX rates and asset allocation plans by fund managers
- Exclusive Summits: 27 forums a year featuring top corporate executives around the world. These summits are focused on industry topics such as investment, auto, health and media, that generate exclusive interviews and market moving news
- Comprehensive global view of credit from blue-chip corporate to high-yield; from AAA sovereign to emerging market
- Fast comprehensive coverage and analysis:
 - o Over 4,000 analyses a year on company industries, market trends, political developments and more
 - o Immediate updates around economic developments, interest rates, key economic indicators and policy changes along with general and political news
 - o Breaking news and analysis around energy markets including oil, gas, electricity, coal, carbon emissions, renewables and shipping
 - o Breaking news and analysis around precious metals, industrial metals and agricultural markets including grains, oilseeds, biofuels, livestock, cocoa, coffee and sugar
